

# GEN-Z

The Zini 20" MTB's have been designed with everything a rider needs to take on single track and hit the trails. Updated with a 6061 Alloy Frame and kids-Tuned Geometry, the Zini 20" range of Kids Mountain Bikes offer everything a young XC ripper could need. Whether they're just getting into the sport or they're improving their skills, a lightweight Alloy frame, quality components, modern 7-speed gearing and ride stopping brakes has the kids kitted out and ready to roll.
